Hiring: Technical Trainer – IT Fundamentals (ITF+)

Xavric Solutions is hiring a Technical Trainer to deliver our course 'IT Fundamentals Masterclass (ITF+): Foundation of Modern Computing' — designed for beginners entering IT and candidates preparing for CompTIA ITF+.

Role Overview

Deliver offline training on:
• Basic computer systems, hardware & operating systems (Windows/Linux/macOS)
• File, folder & storage management
• Applications, office tools & introductory databases
• Fundamentals of networking (LAN, WAN, IP, DNS, Wi-Fi)
• Cybersecurity basics: malware, phishing, passwords, backups
• Basic troubleshooting for hardware, OS & connectivity
• Guided labs & IT support desk–style simulations

Requirements

• Experience: 0 – 5 years (Freshers welcome)
• College professors & IT professionals can apply as part-time
• Strong fundamentals of computers, networking & basic security
• Exposure to Windows OS (Linux/macOS knowledge is a plus)
• Good troubleshooting and explanation skills
• Passion for teaching beginners and guiding them toward IT Support / Helpdesk roles

Location & Mode

• Location: Bhopal
• Mode: Offline (in-center)
